Besa Karli Wall Sconce

Product Features

The Karli features a softly radiused glass, that will gracefully blend into almost any decorating theme. Our Opal glass is a soft white cased glass that can suit any classic or modern decor. Opal has a very tranquil glow that is pleasing in appearance. The smooth satin finish on the clear outer layer is a result of an extensive etching process. This blown glass is handcrafted by a skilled artisan, utilizing century-old techniques passed down from generation to generation. The mini sconce fixture is equipped with a low-profile machined lamp holder and a round flat canopy. The glass shade threads onto the lamp holder for easy installation. These stylish and functional luminaries are offered in a beautiful brushed Bronze finish.
