Product Features

The Kona pendant features a wide cone-shaped glass, that demonstrates contemporary sensibilities. Our White glass is a soft white cased glass that can suit any classic or modern decor. White has a very tranquil glow that is pleasing in appearance. The smooth satin finish on the clear outer layer is a result of an extensive etching process. This blown glass is handcrafted by a skilled artisan, utilizing century-old techniques passed down from generation to generation. The 12V cord pendant fixture is equipped with a 10' braided coaxial cord with Teflon jacket and a low profile flat monopoint canopy.
