# Besa Milo 4 Cord Pendant

## Product Features

The Milo is a fun pendant inspired by the traditional glass jars used for canning, only enhanced with various sprayed colors. Our Amber Trans glass is a colored transparent glass. The amber glow has a low key harmonious display that exudes a warm mood. When lit the glass is vitalizing as well as stylish. This handcrafted glass uses a process where every glass is consistently produced using a press mold, keeping variations to a minimum. The cord pendant fixture is equipped with a 10' SVT cord set and an low profile flat monopoint canopy. These stylish and functional luminaries are offered in a beautiful brushed Bronze finish.
