Besa Milo 4 Vanity

Product Features

The Milo 4 Amber Vanity is a transitional bath design composed of a glass shade inspired by the traditional glass jars used for canning, enhanced with a subtle amber transcolored spray . Mounted off the broad canopy with timeless gooseneck socketholders, the seductive glowing jars has a low key harmonious display that exudes a warm mood. When lit the glass is vitalizing as well as stylish. This handcrafted glass uses a process where every glass is consistently produced using a press mold, keeping variations to a minimum. These stylish and functional luminaries are offered in a beautiful Black finish.
