## Besa Nico 4 Mini Sconce

### Product Features

Nico 4 features a tapered drum shape that fits beautifully in transitional spaces. Our Clear Stone glass is a clear blown glass with an outer texture of coarse sandstone. Inspired by the elements of nature, the appearance of the surface resembles the beautiful cut patterning melting ice over a rock formation. This blown glass is handcrafted by a skilled artisan, utilizing century old techniques that have been passed down from generation to generation. Each piece of this décor has its own artistic nature that can be individually appreciated. The mini sconce is equipped with a decorative lamp holder mounted to either a low profile round or square canopy. These stylish and functional luminaries are offered in a beautiful brushed Bronze finish.
