Besa Nico 5 Mini Sconce

Product Features

The Nico 5 Clear Stone Vanity is a contemporary bath design, employing a softly radiused housing and sparkling textured shades. Our Clear Stone glass is a clear blown glass with an outer texture of coarse sandstone. Inspired by the elements of nature, the appearance of the surface resembles the beautiful cut patterning melting ice over a rock formation. The mini sconce fixture is equipped with a sleek arcing diecast lampholder and matching radiused rectangular canopy. These stylish and functional luminaries are offered in a beautiful Chrome finish.
