Besa Nico 5 Vanity

Product Features

The Nico 5 Clear Stone Vanity is a contemporary bath design, employing a softly radiused housing and sparkling textured shades. Our Clear Stone glass is a clear blown glass with an outer texture of coarse sandstone. Inspired by the elements of nature, the appearance of the surface resembles the beautiful cut patterning melting ice over a rock formation. The vanity fixture is equipped with sleek arcing diecast lampholders and matching radiused rectangular canopy. These stylish and functional luminaries are offered in a beautiful Chrome finish.
