Besa Peri Vanity

Product Features

The Peri is a compact handcrafted glass, softly radiused to fit gracefully into contemporary spaces. Our Opal glass is a soft white cased glass that can suit any classic or modern decor. Opal has a very tranquil glow that is pleasing in appearance. The smooth satin finish on the clear outer layer is a result of an extensive etching process. This blown glass is handcrafted by a skilled artisan, utilizing century-old techniques passed down from generation to generation. The vanity fixture is equipped with decorative lamp holders, removable finials, linear rectangular housing, and a removable low profile oval canopy cover. These stylish and functional luminaries are offered in a beautiful Chrome finish.
