Besa Phantom 6 Cord Pendant

Product Features

The Phantom 6 Clear Pendant is composed of a clear glass bell-shaped shade, with an interesting cascading optical pattern blown as an additional transparent layer along the top outer upper portion of the glass. The dramatic play of light through the sculpted layer and onto adjacent surfaces make for a striking affect, along with the modest display of the lamp filament behind the glass. The cord pendant fixture is equipped with a 10' SVT cordset and an low profile flat monopoint canopy. These stylish and functional luminaries are offered in a beautiful brushed Bronze finish.
