Besa Pinta 15 Ceiling

Product Features

Pinta's unique optical lines are a sophisticated refinement to clear glass, where the lines visually play with the image of the exposed light source. The clear blown glass is contemporary yet timeless, and will suit any classic or modern decor. When lit, the clear glass shimmers and sparkles with the accents from the light source. This blown glass combination is handcrafted by a skilled artisan, utilizing century-old techniques passed down from generation to generation.
