Besa Renfro 16 Ceiling

Product Features

The ultra low-profile Renfro is a multi-layered glass, with two radiused glossy white sections fused together. The glass sections are populated throughout with a random pattern of dimples, followed by a white frosted coating. The tranquil glow has a low key harmonious display that exudes a warm mood. When lit the glass is vitalizing as well as stylish. This blown glass is handcrafted by a skilled artisan, utilizing century-old techniques passed down from generation to generation.
