Besa Ring 13 Ceiling

Product Features

Ring marries a clean white handcrafted glass diffuser with a decorative glass ring. Besa's easy-to-use bayonet mount secures the glass diffuser to the aluminum fitter with a "twist & lock" action. The clear blown glass complements the soft white Opal cased glass, which can suit any classic or modern decor. Opal has a very tranquil glow that is pleasing in appearance, as the clear glass sparkles with the accents from that glow. The smooth satin finish on the opal's outer layer is a result of an extensive etching process. This blown glass combination is handcrafted by a skilled artisan, utilizing century-old techniques passed down from generation to generation.
