Besa Spur Cord Pendant

Product Features

The Spur Blue/Frost is a distinctive double-glass pendant, with an inner frosted cylinder centered within a transparent softly radiused outer glass. The transparent blue blown outer glass complements the soft white Opal cased glass, which can suit any modern decor. The inner tranquil glow is pleasing in appearance, as the sophisticated outer glass sparkles with the accents from that glow. The 12V cord pendant fixture is equipped with a 10' braided coaxial cord with teflon jacket and a low profile flat monopoint canopy. These stylish and functional luminaries are offered in a beautiful brushed Bronze finish.
