Besa Tamburo 8 Cable Pendant

Product Features

Tamburo is a classic open-ended cylinder of handcrafted glass, a shape that will stand the test of time. Our Clear Stone glass is a clear blown glass with an outer texture of coarse sandstone. Inspired by the elements of nature, the appearance of the surface resembles the beautiful cut patterning melting ice over a rock formation. This blown glass is handcrafted by a skilled artisan, utilizing century old techniques that have been passed down from generation to generation. Each piece of this décor has its own artistic nature that can be individually appreciated. The cable pendant fixture is equipped with three (3) 10' silver aircraft cables and 10' AWM cord set, and a low profile flat monopoint canopy. These stylish and functional luminaries are offered in a beautiful brushed Bronze finish.
