Besa Tay Tay 1WW Swing Arm

Product Features

The Tay Tay is a compact handcrafted glass, softly radiused to fit gracefully into contemporary spaces. Our Opal glass is a soft white cased glass that can suit any classic or modern decor. Opal has a very tranquil glow that is pleasing in appearance. The smooth satin finish on the clear outer layer is a result of an extensive etching process. This blown glass is handcrafted by a skilled artisan, utilizing century-old techniques passed down from generation to generation. The swingarm fixture includes a 12V electronic transformer and integrated full-range rotary dimmer. The adjustable arm assembly pivots for 130 degree rotation at the canopy, and swings up and down within 180 degree range. These stylish and functional luminaries are offered in a beautiful Satin Nickel finish.
