# Besa Trilo 15 Stem Pendant

## Product Features

Trilo 15 is comprised of three complementary glass segments, resulting in a playful glass display. Our Blue Matte glass is a dark primary blue pressed glass, with a white inner layer. This décor can add an edgy, classic, or contemporary feel to any room. When lit this gives off a light that is functional and soothing. The smooth satin finish on the clear outer layer is a result of an extensive etching process. This handcrafted glass uses a process where every glass is consistently produced using a press mold, keeping variations to a minimum. The stem pendant fixture is equipped with an adjustable telescoping section, 4 connectable stem sections (3", 6", 12", and 18") and low Profile flat monopoint canopy. These stylish and functional luminaries are offered in a beautiful brushed Bronze finish.
