Besa Uno 16 Ceiling

Product Features

The Uno 16 semi-flush mount is a dual lamp design with clear transparent cloud-shaped glass diffuser. Besa's easy-to-use bayonet mount secures the glass diffuser to the aluminum fitter with a "twist & lock" action. The glass is a transparent glass with interesting threads of opaque white swirling lines throughout. This décor is full of texture and creates a point of interest to any room. When lit this glass features a dimensional effect from the white lines that are interlaced at various levels.
